Continue reversing the basketweave patterning every 6 rows, continuing to incorporate one st into the pattern on each RS row as established (3 sts will be added for each 6 row section). Continue in pattern until there are 166 sts or longer if desired. There is enough yarn to continue in this section G pattern for another 2 sections- to 172 sts.

Edging:

Stop increasing. Continue to slip the first stitch of every row, and work all other sts in garter stitch (knit every row) for 6 rows. Bind off all sts. Soak the piece in tepid water for about 30 minutes. Drain water and squeeze out excess. Spread piece out on a towel to dimensions and lay flat to dry. Weave in all ends.
